PAYMENT

What payment methods does the City accept?

Customers have the option to pay with an Automatic Payment Plan, one-time or recurring credit card charges, or by check, including checks over the phone.

What is the Automatic Payment Plan?

The Automatic Payment Plan allows your utility bill to be paid from your checking, savings or credit card automatically – no checks to write, no postage to buy, no late payments. It's free, fast and completely hassle-free.

How do I sign up for the Automatic Payment Plan?

Complete and return the Automatic Payment Plan Authorization form found on our website or on the eUtilityBilling system, and include a voided check (for checking accounts) or deposit slip (for savings accounts). We need a hard copy of the form because your signature is required.

How soon will the Automatic Payment Plan start?

The process should take effect with your next billing cycle. Please continue to pay your bill as usual until the message "AUTOMATIC PAYMENT – DO NOT PAY" appears on the top of your bill.

No. The City does not charge for automatic payments, and you enjoy the savings of no postage to mail your bills.

What if I try the Automatic Payment Plan and don't like it?

You can cancel your authorization for automatic payments at any time by notifying us in writing, by calling us at 952-985-4580, or by sending an e-mail to utilitybilling@lakevillemn.gov.
